## Jobs at ONEOK

ONEOK is a *Fortune* 500 energy services company that provides natural gas and other services to local distribution companies, industrial customers, and power generators. ONEOK is divided into the following three business segments: ONEOK Distribution, ONEOK Energy Services, and ONEOK Partners.

ONEOK Distribution is one of the largest natural gas distribution businesses in the nation, serving more than two million customers in Oklahoma, Kansas, and Texas.

ONEOK Energy Services offers services through the marketing and distribution of natural gas and bundled services to customers in both the US and Canada. The energy service segment primarily serves local distribution companies.

ONEOK Partners, L.P., the company's largest business segment, is one of the largest publicly traded master limited partnerships. The segment is operated through the following three divisions: natural gas gathering and processing, natural gas pipelines, and natural gas liquids, which is further subdivided into gathering and fractionation operations and pipelines. ONEOK is a general partner and 42.8% owner of ONEOK Partners.

The company, which was initially founded as an intrastate natural gas pipeline business, now holds the title of being the largest publicly traded company in Oklahoma. The company offers its more than 4,700 workers *myCareer*, *myHealth*, *myWealth*, and *myLife* benefits. *MyCareer* benefits consist of market-based pay, an incentive program, educational assistance, and a relocation benefits package. *MyHealth* benefits include medical, dental, vision, and prescription drug coverage, as well as flexible spending accounts, life insurance, and long-term care insurance. Contained within *MyWealth* benefits are a 401(k) thrift plan, profit sharing plan, and an employee stock purchase plan. *MyLife* consists of paid time off, an Employee Assistance Program, employee matching grants, ONE trust fund, and adoption assistance. Other benefits include free parking, learning and development opportunities, tickets to company sponsored events, and business casual dress.

College students who are studying engineering, accounting, finance, information technology and computer science, marketing, business management and energy management, or environmental safety are often recruited by ONEOK. Paid internships are also offered to provide students with hands-on job experience and possibly, a **job offer**.
