

Jobs at Land O'Lakes

Land O'Lakes is the second largest cooperative in America. The business was established in 1921 by farmers who sought ownership of their economic situations.

Today, Land O'Lakes is active in more than 50 countries. With an estimated 9,000 employees, 3,200 direct-producer members, and 1,000 member cooperatives, Land O'Lakes serves more than 300,000 agriculture producers. The company's businesses include dairy foods, Land O'Lakes Purina Feed, Winfield Solutions, business development services, related businesses, and products manufactured through licensing agreements.

The dairy foods business primarily serves consumers, foodservice professionals, and food manufacturers through its dairy-based products. In fact, Land O'Lakes is the nation's leading butter and deli cheese brand.

Land O'Lakes Purina Feed business provides feed for both companion animals and livestock. The business holds the title as the top North American livestock and lifestyle feed merchant.

Winfield Solutions is the third largest farm seed business and the leading supplier of crop protection products in the nation. Its agriculture expertise brands include CROPLAN GENETICS® and AgriSolution™.

Land O'Lakes business development services offer expertise in business management and planning, customer service and relationships, industry and market trends, learning and development, and talent recruitment and placement.

The company's related businesses include the fresh egg segment, Land O'Lakes Finance Company, Ag2Ag.com, and Northwest Food Products Transportation (NFPT). Through its subsidiary, MoArk, LLC Land O'Lakes processes about 200 million eggs annually, some of which are sold under the Land O'Lakes brand name. Land O'Lakes Finance Company provides financing services for pork, dairy, beef, fish, and poultry suppliers. Ag2AG.com provides business information services, such as agriculture weather product manuals, tonnage reports, and access to commodity market prices, to Land O'Lakes, Purina Feed, and Winfield Solutions customers. NFPT is a wholly owned subsidiary that dispatches haulers and moves milk and other dairy products for Land O'Lakes and other dairy operations.

Land O'Lakes has also entered into licensing agreements with a number of manufacturers.

Chicago Custom Foods LLC produces Land O'Lakes Seasoning while Dean Foods Company is a licensee of Land O'Lakes® dairy products. Precision Foods produces Land O'Lakes® Cocoa Classics®, Cappuccino Classics®, and International drinking cocoa™ lines. WhiteWave Foods is another licensee of Land O'Lakes dairy products.

Employees with Land O'Lakes are entitled to a number of benefits including medical insurance, prescription drug coverage, vision coverage, dental insurance and reimbursement accounts, life insurance, disability insurance, and accidental death and dismemberment insurance. A retirement savings account, paid time off, holidays, personal days, adoption assistance, tuition reimbursement, and an Employee Assistance Program are also offered. Additionally, the company offers wellness benefits such as a 24-hour nurse line, stress management coaching, smoking cessation programs, flu shot clinics, and WeightWatchers® reimbursement. Employees can also receive discounts on fitness equipment, vitamins, massages, and more.

There are 108 job listings for Land O'Lakes at www.hound.com, including supply procurement manager, team leader of food science, utilities supervisor, warehouse supervisor, zoo nutritionist, senior dairy production specialist, and quality laboratory technician. There are four job listings at www.monster.com. These include maintenance technician positions as well as an opening for a maintenance mechanic and a plant manager.
