

Jobs with Omnicare, Inc.

Everyday Omnicare Inc., serves more than 1.4 million individuals within skilled nursing, assisted living, and other healthcare facilities in the both the US and Canada. As a major US provider of pharmaceutical care for seniors, the company offers a range of clinical services, specialty pharmacy and compounding operations, pharmaceutical consulting, infusion therapy, and more. The Covington, Kentucky-based company operates through the following service divisions: Omnicare Senior Pharmacy Services, Omnicare Geriatric Pharmaceutical Care Guidelines, Omnicare Clinical Programs, Omnicare Information Solutions, and Omnicare PBM Plus.

Omnicare Clinical programs concentrate on diseases that often impact the elderly including chronic kidney disease, early dementia, diabetes, heart failure, and many others.

The company's Omnicare Geriatric Pharmaceutical Care Guidelines[®] was also the nation's first clinical-based formulary offering designed specifically for the aging population.

Furthermore, Omnicare offers a full range of systems for long term-care facility operations including cutting-edge technologies such as web-based applications, point-of-care functionality, electronic medical records, and systems that run on wireless networks using mobile or hand-held instruments.

Omnicare Information Solutions is the leading provider both clinical and financial software to long-term care facilities.

Omnicare PBM Plus is a pharmacy benefit management company that implements more affordable solutions for those it serves.

Omnicare employs professionals with skills relevant to health care, pharmaceutical, science, professional services, administration, management, finance, information technology, accounting, and customer service.

Full time employees are eligible for a range of benefits that include a medical and prescription drug plan, dental and vision coverage, life insurance, vacation time, sick time, and a 401(k) plan.

There are 168 job listings with Omnicare Inc. at www.hound.com including an opening for a staff accountant in Covington, Kentucky. This position is responsible for the preparation of financial

statements, reconciliation of general ledger accounts, and the updating of monthly journal entries. The staff accountant will also be involved in the annual budget process and will analyze financial data and maintain the SOX sign-off book with relevant documentation. The ideal candidate will have a BS in Accounting, an understanding of GAAP, and experience using Microsoft Excel.

The company is also in need of a certified/licensed pharmacy technician in Akron, Ohio to work in collaboration with the pharmacist. Duties will primarily involve the preparation of medications for healthcare facilities. The ideal candidate will have a minimum of one year of pharmacy experience, a valid driver's license, and a willingness to learn medicine abbreviations and generic equivalents.
