

Ulta Jobs

Introduction- Ulta is recognized as the largest beauty retailer in the United States offering a one-stop shopping experience for salon, mass and prestige products along with salon services. The company focuses on offering affordable indulgences to its customers. It combines the product convenience, value and breadth of beauty superstores with a distinct environment of specialty retailers.

Company History: Ulta was established in 1990. It was established based on the observation that consumers needed an all-purpose supply store which could offer elegant cosmetics at an affordable price to its customers. It offers 400 brands and more than 12,000 beauty products today, making it a true community with a relaxed atmosphere. The company made a name for itself in the industry by offering prices that were one third of average retail rates for the competing products. The company focuses on offering affordable indulgences to its customers. It combines the product convenience, value and breadth of beauty superstores with a distinct environment of specialty retailers.

Ulta was designed to offer customers a low pressure experience with product selections in bath and body, toiletries, hair and cosmetics. Currently the company has 150 stores in the country with an on-site salon experience for its customers. It is a full service retailer with spa and hair style services, prestigious brands as well as cosmetic consultation services. With over two decades of experience and industry know-how, Ulta is constantly upgrading and re-inventing its services to deliver a truly unique experience to its customers.
